Studio Agreement

Once registered, students are enrolled for the entire dance season, from September until the spring recital in May. If you wish to withdraw from classes at any point during the year, a Class Withdrawal Form must be filled out and turned into the office. If a Class Withdrawal Form is not filled out and signed, you will be responsible for paying tuition through the end of the season in May.

It is expected that all of our students participate in the spring recital in May. Costume fees for the spring recital will be assessed in December. If you choose not to have your child participate in the spring recital, a Recital Withdrawal Form must be filled out and turned in to the office by December. If this form is not filled out and signed on time, you will be charged a costume fee regardless of your child's participation in the show. Even if your student chooses not to be a part of the recital, we still welcome their participation in class through the end of the season.

I grant South Metro Dance Academy the right to take photographs of my dancer in connection with my activities within the dance school.
